

Workers' Compensation Claims Compensability Flowchart

Coronavirus (COVID-19)

Insurance | Risk Management | Consulting

In the event that you have an employee who reports a COVID-19 case as work-related, it is important to understand what happens once the claim is reported to the workers' compensation carrier. The chart below details the steps you can expect throughout the course of the claim.

Gallagher provides insurance, risk management and consultation services for our clients in response to both known and unknown risk exposures. When providing analysis and recommendations regarding potential insurance coverage, potential claims and/or operational strategy in response to national emergencies (including health crises), we do so from an insurance/risk management perspective, and offer broad information about risk mitigation, loss control strategy and potential claim exposures. We have prepared this commentary and other news alerts for general informational purposes only and the material is not intended to be, nor should it be interpreted as, legal or client-specific risk management advice. General insurance descriptions contained herein do not include complete insurance policy definitions, terms and/or conditions, and should not be relied on for coverage interpretation. The information may not include current governmental or insurance developments, is provided without knowledge of the individual recipient's industry or specific business or coverage circumstances, and in no way reflects or promises to provide insurance coverage outcomes that only insurance carriers control.
